Introduction

On the 14th November 2014 Members of the UK Youth Parliament (UKYP) will come together to debate and decide at the UKYP House of Commons sitting the most important issues to campaign on for the year ahead. The sitting will mark the launch of Parliament Week. The issues they will debate were decided upon via the 'Make your Mark' public vote for 11 to 18 year olds across the United Kingdom based on a shortlist of topics voted upon by Members of the Youth Parliament from their manifesto.

This report details the results of 'Make Your Mark'. The UK Youth Parliament is managed by the British Youth Council, a youth-led charity which aims to empower young people across the UK to have a say and be heard.

Every year the UKYP holds a UK-wide ballot called 'Make Your Mark', where all young people can vote on what they think Members of the Youth Parliament should campaign on for the year ahead.

Top Five issues

The Make Your Mark ballot orders the top five issues, but those chosen for the UK wide priorities debate must include 2 UK wide topics and 3 reserved English only topics. Due to the devolved nature of the UK democracy and to ensure relevant representation of the issues from the all nations.

- 1.** Everyone should be paid at least the **Living Wage** of £7.65 per hour (£8.80 in London). Anyone who works, regardless of age, should have a decent standard of living.
- 2.** Bring back **exam resits in Maths and English**, in English schools, and help us achieve our potential.
- 3.** **Work Experience.** We should have the chance to do at least a week's placement, at a place of our choosing. We should have access to professionals who inspire us.
- 4.** **Votes at 16.** Give 16 and 17 year olds the right to vote in elections and referendums.
- 5.** **Mental health services** should be improved with our help. We should all learn about common mental health issues at school and negative stereotypes should be challenged.
